

INDEPENDENT BAPTIST MISSIONS

A Ministry of Landmark Baptist Church

Nash and Suzanne Desent, Missionary Workers in Peru

May 28, 2026

Dear wonderful supporting churches and our dear brothers and sisters. Praise God, we have made it halfway through 2026 to labor for the Lord Jesus Christ. There is so much happening here!

Because of the great work God is doing here I will divide this letter into sections and elaborate accordingly.

First, thank you so much for your prayers and faithful support.

Souls Saved and Baptized

Everywhere we go there are opportunities to win souls. Our church has a few baptisms planned for the next couple months. God is blessing us in evangelism and church growth.

Children Ministries

The two ministries with children are going well. Thank God for helpers such as Sister Diana Martinez and Sister Beatriz Moreno and their great ministries with these wonderful children.

Many Visitors and Events

Part of the ministry is hospitality and encouraging visitors to see the need and hopefully support missions in a greater way.

- Trips to Amazon jungle to Tarapoto work
- Trips to Cacatachi and Lamas for next church plants
- Visits from many brethren from the USA and other areas in Peru
- Tent meetings
- Missions' conferences
- Holiday celebrations

Trip to USA

During January Suzanne and I were in Massachusetts for a Cardiac MRI. The results show my heart has no scarring, normal size, and I am no longer in danger. God is good. God used this to move me to get things in order because we do not know how much time we have. Consequently, we are moving quickly this year to get things in place for the next generation. Overall, I feel great, but I am still taking care of my health. We thank you for your prayers.

We are planning a trip in September for a month to report to churches. If you want to schedule me, it is a blessing to come. I will know you read this if you schedule me 😊.

Many Activities

There are so many activities I am sure we miss a lot of them. However, I want you all to know your mission's investment is bearing fruit for your accounts. We are busy working hard for you.

Villa El Salvador Work

The church in Villa is doing great. We had a lot of children come and we are having youth group activities. We need to find a larger place to rent. We have the funds but finding the location requires a lot of prayer.

Pachacamac work

The work of First Baptist Church of Pachacamac is going well. We thank God for the Moreno Family. Without their faithful support in labor, we could not do what we do. Please pray for this family.

Juan and Beatriz Moreno, and children Dara and Uziel

Tarapoto Work

The church plant in the Amazon jungle of Peru is going very well. We want to thank especially Michael Van Horn from the Wallace Legacy Foundation and Michael Drust from Regions Beyond Albania for their support and labor of love for this project. We also highly appreciate evangelist Barry McKee who has labored for this work.

Jorge Rodriguez is our missionary who moved to Tarapoto in March. God opened a door for a great rental home where Jorge conducts services.

Lord willing the parsonage will be finished this year so we can save on rent. Please pray and consider giving to this great work. We are not only working to plant many churches in Tarapoto, but also in the surrounding cities that have no Baptist churches.

Please also pray for Jorge and his family to get the financial support needed so they can operate full-time in Tarapoto.

The building is progressing well, and we sincerely thank all who have donated to this work. Much fruit will be added to your account!

We want to give a special thanks to Mount Vernon Baptist Temple and Pastor Joshua Lehman for their generous gift to this work. Thank you so much!

Exterior of Temple is painted in Tarapoto. Parsonage steel structure finished.

New Works in Cacatachi and in Lamas

For 2026 we will be focusing on the work in Tarapoto to build that work up and start other churches in that town, which currently has no Baptist churches.

However, 20 minutes away is Cacatachi and another 20 minutes is Lamas, and that city has no Baptist church. We are preparing laborers for that area. We have secured land for churches and camp there, but we need to have more men surrender to the mission field. Pray the Lord of the harvest that he sends forth laborers!

Map showing Tarapoto (lower right) and Lamas (upper right)

Do you have a desire to labor in Peru? Come help us. We need laborers for Cacatachi, Lamas, and other places.

Having a vision for the future is necessary for a missionary. We must pray and step through doors that God opens for us.

IBM Church Planting Initiative

We are working toward planting churches in several locations. We know missionaries who are planning to come and help. They need your prayers because they have their needs. We have planned out our next couple years of church plants that Lord willing God will send laborers.

Tent Meeting Ministry in Peru

We thank God for Evangelist Pastor Larry Gibbs and his love and burden for Peru. Since last December when Larry Gibbs shipped a tent to Peru, we have had many opportunities to help him with evangelistic campaigns.

Since December, the tent meetings have been in these places:

- Arequipa (4 meetings)
- Pachacutec (1 meeting).
- Villa Maria (1 meeting)
- Pachacamac (2 meetings)

The weeklong meeting in March in Pachacutec was a huge blessing. Pastor John Barnes (Northeast Gospel Crusades) brought 41 American brethren for a week of labor. It was a huge coordination effort, but we were very blessed.

Tent set up in Pachacutec. Tent meeting at Night, Evangelist Denton Bell preaching.

First church service in Mission church after tent meeting – workers and visitors.

Please pray for this tent ministry work in Peru.

We have more tent meetings scheduled for 2026. Brother Gibbs could use a helper and a vehicle to travel Peru. Please pray for those things.

Seed, Sowers, and Sender

*Semilla
Sembradores
Enviadores*

Many of you know that we summarize our ministry here in Peru as Seed-Sowers-and Senders. *Seed* means we are committed to the publication and distribution of scriptures in Peru and South America. We encourage churches to do what they can even if it is on the micro level of publishing and distribution.

Sowers is the training of pastors, preachers, and missionaries through our university – *Baptist International University*. This is going well. We have helpers that teach the program and students all over the world.

Seed

We produced a ton of New Testaments in the Awajun language for tribal communities in northern Peru in 2024. We also published another ton in 2025. The brethren are asking for more Bibles. We can print them here for about \$3 per Bible. Please pray for this. We have the ability to publish and distribute but our funds are low.

Sowers

Many of you know I am president of Baptist International University. Although I am physically working from Peru, the international work of the university continues. Briefly, we have wonderful brethren in Liberia, Africa who are doing a great work training many students. We also have hopes of school approval in Rwanda. Schools in Peru and Chile and going forward. Other countries are starting to be involved.

Senders:

Supporting missions through our churches and IBM is always active, thanks to God. But we also do a lot of preaching and teaching in churches all over to encourage their support of missions. We strive to plant a church every year. We also encourage every missionary and church we minister to support two new missionaries every year and encourage them to do this also.

IBM is a clearinghouse to filter and approve missionaries we believe are very good investments for your missionary support dollars. We would love it if you to consider IBM. You can learn more through www.IBMPeru.org or call me directly. Thank you for your love and consideration. We have done many missions conferences and still have more to do this year.

Missions DNA

In an effort to phrase our priority of missions in all that we do, we will use this logo when planning and executing any work. The logo reminds us to keep missions the main thing!

Special Blessings

Many have given to the work here. I want to sincerely thank you all. I want to give a very special thanks for the church missions trip from Highland Hills Baptist Church in Michigan. It was WONDERFUL having our beloved brethren visit. Pastor Matt Leathley and his group are a tremendous blessing to us and we thank them immensely!

A Ministry of Landmark Baptist Church

Nash and Suzanne Desent, Missionary Workers in Peru

Thank you all, dear brethren, – you know who you are. All who give and pray for our work have a part in the rewards for the work accomplished here in South America.

Future Plans for 2026

- More missions' conferences in different areas
- August Leadership conference
- More trips
- Tent meetings
- Church planting initiative
- University classes here in Pachacamac

Prayer requests:

We do ask that you pray for more funds to be given for scripture publishing and supporting Peruvian missionaries going into the world. This is our biggest need. Please know that every penny given goes to these works. We know this work is in God's hands, but he indeed hears our prayers. We use much of our personal funds for these works, but the need is still great.

Please also pray for the many churches and pastors in South America. They also have needs, and we do what we can to help them.

Final words

Two things in conclusion: First, please plan on visiting. We have comfortable and safe accommodations. Secondly, please consider giving to the work in Tarapoto and surrounding areas. The city has 200,000 people and no Baptist church. We have the land and plans finished, and some funds ready for the construction. We just need added funds so we can start without stopping.

God bless you all,
Nash and Suzanne Desent,
Your servants in Peru
